**Greenfield Farmers Market: Beginning our 5<sup>th</sup> Year**  
***Sunday, May 7 at Konkel Park from 10am – 2pm***

**GREENFIELD, WI** – The Greenfield Farmers Market, celebrating its fifth year in operation, will open on Sunday, May 7, at 10:00 am. The Market, located in Konkel Park at 51<sup>st</sup> & Layton, will remain open through the end of October, but will close on Sunday, May 28, for Dan Jansen Fest.

The Market features fresh regional produce, cheese, jams, jellies, salsa, baked goods, ready-to-eat foods, and more. There is something for every taste at this year's Market. In addition, live music creates a positive ambiance at the Market and adds to the fun and friendly atmosphere.

Additionally, the first Sunday of each month brings artisans and crafters to the Market as part of the Maker's Market. The Maker's Market features arts, crafts, photography, and more from local artisans throughout the greater Greenfield area.

We encourage all residents to come and enjoy everything that the Greenfield Markers Market has to offer. Bring a friend and enjoy the fresh fruits and vegetables, miscellaneous products, and the vibrant atmosphere each Sunday!
