**For Immediate Release**

**Celebrating Women Event Scheduled for April 16th**  
*Event to include inspirational speakers, lunch, dessert & wine!*

**GREENFIELD, WI** – The Greenfield Community Center (7215 West Cold Spring Road) will be the site of the first annual “Celebrating Women” event on Saturday, April 16, 2016. This event is geared toward women who are seeking inspiration in a fun and relaxed social environment.

Featured speakers will include Eliz Greene, a professional speaker, who will speak about “Juggling Stress.” Ms. Greene’s website encourages attendees to “laugh, dance, and learn along with Eliz Greene as she shares personal stories and real-world strategies for you to live longer, feel better, and stress less.” In addition, a local physician, Dr. Katrice Brooks from the Aurora Edgerton Clinic will speak on Women’s Health.

Pre-registration is required, and the cost of the event is \$25 per person including lunch, dessert, wine tasting, and door prizes. All proceeds will benefit a local women’s shelter. Additional details are available via phone at (414) 329-5370 or online at [www.greenfieldwi.us](http://www.greenfieldwi.us) and search for “Celebrating Women.”

This event is sponsored by the Greenfield Health Department in cooperation with the Greenfield and Greendale Park and Recreation Departments.
